My Morning Out (MMO) seeks to provide as-needed childcare for families in our community. Registration is required and consists of a registration form, current medical records, and a form of identification, along with a \$20 registration fee. Once this paperwork is in place, families may sign-up to attend as needed. MMO is staffed by loving teachers who satisfy the requirements mandated by the Virginia Department of Education. These requirements include: annual health check, criminal background and central registry check, and CPR/First Aid certification.
