

# September News

## Welcome to Preschool!

We are so excited to have you at OPWS! During the month of September, we will spend time getting to know about the school and each other. Children will learn our daily routine, classroom jobs, and the calendar all while singing and playing throughout the day!

Each month we will focus on a color and shape. We will also introduce a new letter each week, learn its sound, and how to say it in American Sign Language!

September Letters: S, A, T, I
